---

**Consent to Disclosure**

If it appears, in the sole and absolute discretion of Poultry Health Services Ltd., that the birds submitted are suffering or may be suffering from a Provincially or Federally notifiable or reportable disease, or in the event that the birds submitted may be suffering from a disease that Poultry Health Services Ltd., in its sole and absolute discretion, deems should be reported, I agree that in addition to any disclosure required under federal or provincial legislation, Poultry Health Services Ltd. can notify immediately the appropriate Egg or Poultry Marketing Board in order to ensure that an effective Emergency Response Plan is executed, and in doing so, Poultry Health Services Ltd. can disclose to the appropriate Board with any and all information required to effectively execute the Emergency Response Plan.  
Disclaimer: Please note that any samples collected by the veterinarian, or additional samples submitted with birds (such as feed, water, feces etc.) if not tested, will be held until this case is closed, unless stated otherwise. After this time, unless specifically requested in writing, the held samples will be destroyed. Additional fee (\$10/sample) will apply for samples requested to be stored beyond this time.
